

MARINE COATING WORKSHOP

DOES YOUR COMPANY APPLY MARINE PAINTS AT SAN DIEGO SHIPYARDS OR NAVAL INSTALLATIONS?

If so, please plan on attending a free Marine Coating Workshop hosted by the Port of San Diego Ship Repair Association. The workshop will provide an overview of air pollution control regulations and recordkeeping requirements for Marine Coating as well as important information about upcoming changes to Shipyard and Navy Environmental procedures related to these activities.

WHO SHOULD ATTEND?

This workshop will provide important environmental compliance information for companies that perform marine coating at San Diego Shipyards or Naval Installations. This material will be presented in a "Train the Trainer" style, with the goal of preparing attendees to be able to train others within their own organization. The material will be helpful to anyone with Environmental Compliance or Recordkeeping Responsibilities in the Marine Coating Industry. This workshop will be offered twice, on the following dates:

WORKSHOP SESSION #1

Tuesday, November 16, 2010
10:30 a.m. – 2:00 pm

BAE Systems San Diego Shipyard
Main Training Center
2205 E. Belt Street, San Diego 92113

For more information or to RSVP for this session, contact:

Cara Bandera - 619.238.1000 x2057
cara.bandera@baesystems.com

WORKSHOP SESSION #2

Wednesday, December 8, 2010
Noon – 3:30 pm

General Dynamics NASSCO Shipyard
Juneau Room, Alaskan Queen Barge
2798 E. Harbor Drive, San Diego 92113

For more information or to RSVP for this session, contact:

Sara Giobbi - 619.544.8764
sgiobbi@nassco.com

PLEASE NOTE:

- **FACILITY ACCESS:** The facilities hosting the workshops have security control procedures which limit facility access; if you do not have entry access to these facilities (e.g., subcontractor badge), call the contact person listed above for that facility.
- **MEETS MANDATORY MARINE COATING TRAINING REQUIREMENT:** Starting January 1, 2011, BAE Systems, Continental Maritime, NASSCO, and Naval Station San Diego will require all marine coating contractors to complete this training prior to being allowed to paint at these facilities. **BE PREPARED – ENROLL NOW!**

TO ENROLL: Choose your session, then send an E-mail with YOUR NAME, COMPANY NAME, and PHONE NUMBER to the contact person listed for that session
